We would like to thank you all for your support and good wishes during our recent Ofsted inspection. Thank you all for being a crucial part of our journey. Your support is much appreciated as always, and plays a significant role in our school's success.

With best wishes, Ms Ward.

Children In Need

Today, we were allowed to wear our own clothes to help raise awareness of children who might need some extra help. We also made Jolly Jars to sell at the Light Up Whitton event to raise money for our Year 6 Leavers and to promote Nelson School whilst we are there. Thank you everyone for your donations.

Crew Captain's favourite book

Hi, I am Holly. My favourite book is called *The Worst Thing About my Sister*. It is written by Jacqueline Wilson; she is my favourite author. The reason why I love this book so much is because it is very funny and very descriptive. You can picture the scene very easily. It is about 2 sisters that hate each other and they get forced to share a room together. But something bad happens to the older sister, so the younger sister regrets her decision. I recommend this book for Y4 and Y5. I hope you enjoy the book – hopefully it will be a book you love!

Free Youth Mental Health First Aid Course

We are delighted to be hosting a two day free accredited Mental Health course on 13/14 March 2024. We would love to offer 2 spaces to parents/carers who may be interested in gaining this knowledge and training. The focus of the course is to explore different types of mental health issues including the signs and symptoms as well as how to recognise and support someone who may be struggling and need support. If you currently have a Latchmere DBS, volunteer in school and are interested in this training, we would love to hear from you to discuss this further.

Is my child well enough for school?

As parents, we want to ensure the well-being of our children, especially when they are not feeling well. To help you make an informed decision about when to keep your child home from school, we have enclosed a link which we hope will help.

Opal

As the winter evenings draw in and the weather prepares for a cosy festive season, our OPAL playgrounds will be transformed by colourful leaves, rain, snow and possibly mud. Playing out in all seasons is essential as it sparks children's curiosity and imagination, as nature provides a variety of colours and natural resources. To ensure our children are warm and dry please can you encourage them to be appropriately dressed with a waterproof coat and wellies if they are likely to need them. Wellies can stay in school if they are clearly named. If you have any spare wellies or other OPAL items that you wish to donate, please bring them into school for others to use.
