**Well done !**

As our Year 6 students prepare for secondary school, they've enjoyed an action-packed week of activities and quality time with friends. From exploring Kew Gardens to bowling to visiting Whitton Youth Zone to the thrilling rides at Chessington, and the adventurous Go Ape, they've created lasting memories. This week has provided opportunities to learn new skills, forge stronger friendships, and develop resilience and courage – core Nelson Values. The upcoming sleepover promises more bonding and excitement as they bid farewell to primary school.

Reya said, 'It was an extremely enjoyable experience for me and many others as we had activity after activity, every day and had new experiences. I especially liked going to Go Ape, as we could be outside and did team activities!' Matty said, 'It was such an exciting week everybody had smiles on their faces and loved it. The best part was Chessington. On the last ride we waited 25mins, for the Black Panther, the scariest ride. We went upside down which I wasn't expecting ! We are both really looking forward to this evening's sleepover!'
