Well done

Well done Olivia, Year 1. 'I travelled to Italy over the Christmas holidays by aeroplane and went skiing. I took part in a competition where I had to zig-zag down a very big hill covered in snow. I won the trophy for being the fastest. I do not know where I get my talent for skiing from as my mummy and daddy kept falling over! I would like to take part in the Olympics when I get bigger'

Well done Olivia!

Medical

While attendance at school continues to be a high priority, the UK Healthy Security Agency (UKHSA) has issued the following advice as children return to school, reminding people that winter illnesses continue to circulate at high level.

UKHS Advice

Following simple steps can help protect children, minimise the spread of illness in education and childcare settings and protect wider communities. Flu and coronavirus (COVID-19) are currently circulating at high levels and are likely to continue to increase in coming weeks. High numbers of scarlet fever, which is caused by group A streptococcus, also continue to be reported. It's important to minimise the spread of infection in schools and other education and childcare settings as much as possible. If your child is unwell and has a fever, they should stay home from school or nursery until they feel better and the fever has resolved.

Helping children to learn about the importance of good hand hygiene is also key, so practice regular handwashing at home with soap and warm water. Catching coughs and sneezes in tissues then binning them is another simple way to help stop illness from spreading.

Adults should also try to stay home when unwell and if you do have to go out, wear a face covering. When unwell don't visit healthcare settings or visit vulnerable people unless urgent.

Remember that flu vaccination is still available for all eligible groups and is the best protection against the virus. Eligible children include all primary school -aged children. You can get more information getting your child vaccinated against flu on [NHS.UK](https://www.nhs.uk).

Reminders

Remember to hand in your clubs application before Wednesday, January 11th. Clubs will start back week commencing the 16th January. If you didn't receive a registration form you can collect one from the office.

Please remember that our Nelson car park is for staff only. We are seeing an increasing number of parents use the car park, especially at breakfast club and some parents using the disabled space with no visible blue badge.

The Ship and Trim Trail are timetabled during the school day. For safety reasons children should not be using these before or after school.

Please do not ride your bikes/scooters across the playground or by the entrance.

Sorry, no dogs allowed on site/at the school gates or premises.

Only water please in water bottles.

Remember that we are a nut free school.

Vacancy

Archdeacon Cambridge's CE Primary School is currently seeking to appoint two Learning Support Assistants to work in Lower Key Stage 2

Salary NJC Scale 4 pro-rata

We are seeking to appoint two part-time, Learning Support Assistants to join our happy, hard-working, enthusiastic, supportive, friendly and caring staff team.

P.E

As part of our P.E curriculum, all children will take part in gymnastics and dance. During their lessons, children need to either be **bare-footed** or must wear **plimsoles**. Most gym lessons are taught using our gym mats and therefore being barefoot or wearing plimsoles are the safest options.

If your child doesn't like being barefooted, please may we ask you to bring in a pair of plimsoles, which can be left in school. Unfortunately, trainers cannot be used during gym or dance.

If you have any questions please feel free to contact the school office.
