Nelson Stars

Our Nelson Stars this week are: Annabelle 1L, Harry 2M, Rocco 3N, Poppy 3B, Manuel 4B, Reya 5R, Terrance 5S, Joshua 6N, and Sianne 6M. Well done you received a certificate and will be celebrated in assembly.

Coronation

All the crowns have been handed in and are ready to be judged next week. We are so impressed with the amount of work that has gone into making these crowns. It will be a really difficult decision to choose a winner. Luckily, our mystery judge will have that tough decision to make. Good luck everyone!

Headteacher Awards This Week

Kaaya 5R	Reya 5R
Blessing 5S	Alfie 5S
Sophie R 5R	Maya R 4B
Mustafa 6N	Daisy 4B

You received a headteacher award and will be entered into a raffle each term to win a prize from Mrs Ward. Well done!

Attendance Matters

Regular school attendance is an important part of giving children the best possible start.

Coronation

Each class had their own 'street style' part to celebrate the coronation of King Charles III

Turtles and Starfish class made crowns, and decorated their placemats before sitting down to a banquet.

Every class thoroughly enjoyed their afternoon especially their party foods. Thank you parent reps and parents for helping to make this a special day.

Mrs Rickman went to the King's Coronation. She camped out overnight the night before and managed to get right to the front!

Flag American Football

'On Wednesday, the Flag American Football Team played against Trafalgar School. We played amazingly and scored some brilliant touchdowns. The team did so well and well done to everyone who took part'

Aspirations Week

In June, we will be inspiring our next generation through a love of learning, how to achieve and dream big and a 'Yes you can!' approach to school life.

If you know anyone who has a passion for the work they do, or if you know anyone who has achieved great things through determination and self belief we would love to hear from you to share your stories with our Year 5 & Year 6 children.

If you have a family member or know someone who is well-known that would love to inspire our Y5s & Y6s please contact info@nelsonschool.org or phone the school office for more information.

Good Luck

Good luck for Monday Nelson Netballers. Some of the squad have qualified to go through to the quarter finals in Ham on Monday, after school. They have been practising every morning at 8.00am and at break time to improve their skills. They have worked really hard and we are very proud of how far they have come. Try your best on Monday. We will be cheering for you !

Workshop

The Helping Children Series: Helping Children with Resilience.

This workshop will support you in understanding how children develop resilience and coping skills and what you can do to help them be the most confident that they can be.

Date: Tuesday 23rd May 2023

Time: 6.30 pm-7.30 pm

Online: Eventbrite Link to Register and sign up for the event-

Parent Questionnaire

We really value our parent community and the feedback that you provide. It helps us to hear from you what we are doing well with and where we could be better and to make sure we are meeting the needs of you and your children.

Please click on the link below to access the survey. It is anonymous but we do ask you to select your child/ren's year groups. Please complete the survey by Friday 19 May.

Towards the end of the survey, there is a set of questions for parents of children **with SEND only**.

Reminders

The office will be sending out emails to chase all remaining payments to trips, workshops and residential trips and Breakfast Club. Please kindly check your ParentPay account and try to ensure everything is paid before the end of May.

If parents forget to pay then the deficit comes out of school's budget.

Although the weather is getting warmer, we still have a number of bugs passing around the school. Parents are reminded that if your child picks up a tummy bug and suffers from vomiting, has diarrhoea or both, they **MUST** stay off school for 48 hours from their last episode of vomiting or diarrhoea. This is to prevent these bugs spreading to other children and adults in the school.

Please see this handy NHS website which can help decide whether your child can be in school.

If you have any questions regarding your child's condition, please contact either Mrs de Wet Steyn or Mrs Shah
