## R.E

We have been learning about Lent and the preparation for Easter that many Christians follow. Some teachers have decided to give up something during the 40 days of lent as a reminder of their faith.

Ms Ward has given up tomato ketchup, Mrs Norman has given up crisp, Mrs Power has given up biscuits, Mrs Cavill has given up meat on Fridays and Mrs de Wet Steyn and Mrs Rickman have given up chocolate.

We have also been learning about Ramadan a period of reflection and self-improvement. Many Muslims attempt giving up poor habits and will read the Qur'an alongside this. Ramadan is a time for family and community and people will spend time with loved ones and help those in need.

## PTA Quiz

Quiz night is fast approaching just a gentle reminder to get those tickets booked by Friday 3rd March and email team names to:

## Science Week

As part of science week, on **Friday 17th March**, we will be asking children to come to school dressed as a scientist. There will be 3 prizes to be won. We want to get your creativity flowing for Science Week! You can come dressed up to represent all the different jobs where science is involved such as an archaeologist, astronomer/astronaut, doctor, gardener, vet... Or you might want to come as your favourite science pioneer such as Mae Jemison, the first black female astronaut, Philip Emeagwali, a prize winning Nigerian computer scientist or Marie Curie, a Nobel prize winner in 1903!

Friday the 17th March is also Red Nose Day. Your child can also wear a red nose and make a donation, should they wish to following this link.

## Cake Sale

Thank you 4B, you raised £115.00

## Co-opted governor

Latchmere School is undertaking a recruitment search for a new co-opted governor to join our Local Governing Body. Co-opted governors are volunteers and very valuable members of our governing body. Our governors have a variety of skills and experience, and our governing body includes the Headteacher, other members of staff, parents and people from our local community.

The role of the governing body, together with the Headteacher and the Trust, is to set the future direction of the school and oversee and monitor the implementation of its strategic development. The governing body makes decisions on issues such as performance targets, school policies and the school development plan.

Latchmere School is a multicultural and inclusive school and is looking for candidates from diverse backgrounds. There are no specific skills required, with training being provided as part of the role. Latchmere School is part of a two-school Trust, and the Trust is well supported by a wonderful community of dedicated staff, senior leadership and devoted parents. The Trust aims to deliver an outstanding primary curriculum, backed with exceptional teaching and learning for all children in the care of the Trust.

### Time commitment

The successful candidate will join the Local Governing Body and participate in the 6 meetings each academic year, on every half term. Meetings typically last 1.5hrs with a couple of hours spent reviewing papers and preparing questions ahead of the meetings. Governors also commit to carrying out school visits and undertaking training each year to develop their governance skills.

### Rewards

Being a governor is a rewarding experience. Sharing skills and expertise to benefit the school's pupils allows governors to give back to their community. In addition, there is also the opportunity for personal development in skills such as oversight and governance.

### Next steps

If you are interested in applying for the role, or would like an initial conversation about the role, please email [clerk@latchmereschool.org](mailto:clerk@latchmereschool.org)

## Reception Class

Starfish and Turtles Class would like to ask if you have a pond in your garden with frogspawn or tadpoles they could bring some in for our tank in Reception Class.

## Online Course

### The Helping Children Series: Workshop 2 - Helping children with challenging behaviour.

Many children struggle with anger. This workshop will help you to understand your child's difficult behaviours and how to help them calm down.
