## Year 4

Year 4 has continued the daily mid-morning jog to keep the exercise routine going and get a movement break in, so we can stay fresh for the next lesson. We have also celebrated *Hello Yellow Week* with a treasure hunt, a time for reflection on all of the good things we have going on in our lives, some of our worries and the hopes and dreams we have for the future. We also opened the Hello Yellow Photo Booth, where everybody got involved. We finished the week by creating our own Maya Long Calendars with our own Glyph design for our birthday month in the middle. We then created a name for our own glyph design. The class also learned the counting system the Maya used 5,000 years ago.
