Ruby Tournament

Some Y5 & Y6 children were chosen to represent Nelson in the Richmond Rugby Tournament at Richmond Rugby Club. We played against other schools in the borough. Oliver Y6, said. 'Everyone has a role to play, whether it's passing the ball, defending, or scoring tries. When we work as a team, we can achieve great things and have fun at the same time'.

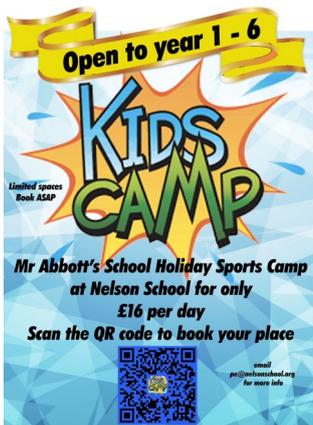

Well done to our rugby team for their first tournament of the year, which for many was their first experience playing rugby. They finished within the top 8 and we are very proud of them!

Year 4 Workshop

Today, a Maya warrior visited our school, and it was so much fun! Some children dressed up in traditional Maya costumes, and we learned about the Maya civilization. We learned to speak the Mayan language and played games using the Maya number system. In the afternoon we had to obey our teachers as two gods. It was a great day full of learning and excitement!

Mrs Steels' Favourite Book

I have extremely fond memories of visiting Kingston library with my family when I was a child. I still remember the smell of books and rush to find my favourite one before my sister got it! We both loved reading *Each, Peach Pear, Plum* by Janet and Allan Ahlberg.

The story is set in a typical nursery rhyme and fairy tale environment and we loved looking for the characters from our favourite tales; hiding in trees and under bridges, as well as seeing other hidden items in each illustration.

The book would open up wider conversations about nursery rhymes and fairy tales and encourage us to read more books and listen to stories.

I loved sharing this book with my children when they were younger, and still remember every word, as does my sister.

Is my child well enough for school?

As parents, we want to ensure the well-being of our children, especially when they are not feeling well. To help you make an informed decision about when to keep your child home from school, we have enclosed a link which we hope will help.
