Art

Congratulations to all of our talented budding artists! We proudly entered their artworks in the Royal Academy of Arts Summer Exhibition. Though we didn't have winners, their pieces showcased exceptional flair and creativity. We've proudly displayed their vibrant masterpieces outside our art room for all to admire. We had more than 60 entries and are so proud of you all. We are now looking forward to seeing what the children will be producing for art week. The theme from the National Gallery 'Take one picture project is' The Courtyard of a House in Delft, by Pieter de Hooch.

Well done

Our talented ukulele players brought joy and music to Homelink in Whitton. With a repertoire of beloved tunes like "You Are My Sunshine," "Blue Suede Shoes," and "Three Little Birds," they serenaded the day visitors and staff. They had everyone singing, dancing, and tapping along. The staff and visitors were so impressed by the children's musical prowess that they begged for encores. The ukulele players felt like famous rock stars for the afternoon and loved it! Well done Skye Y4, Ollie Y6, Henry Y4 and Sophie Y4. Their next performance is at the Twickenham Exchange!

Mosaic

Thank you to our artists and whole school community. This week, we have been working on a new design for our mosaic which is normally situated at the front of the school building as you enter school. All children from Starfish to Year 6 have been involved in placing tiles to make a new mosaic. It has been exciting to see the work progress everyday and see the mosaic come to life. Our artists Mary King, Anna Font and Tamara Froud have enjoyed working with the children and teaching them the art of mosaic design. We are looking forward to seeing the finished product.

Food to Market

'On Tuesday 8th June, Eco Club and Food to Market Club visited Crockbridge Farm in Weybridge. When we arrived, we listened to instructions on what to pick. We were told not to pick the yellow raspberries. We collected 5 punnets of raspberries. The raspberries were sign posted. We had to reach right back into the bush to get some good ones. They looked so good but we weren't allowed to eat any. The weather was ok, normal English weather. We ate our lunch there and we travelled back to school by coach. It was a fun day'. By Grace, 4B.
