## Nelson Stars

Our Nelson Stars this week are: Well done! You have received a certificate and have been celebrated in assembly. Gabriel 6M, Shay 6N, Bella 5S, Dylan 4B, Aimee Mills 4N, Danielius 3B, Olivia 2M, Verica 1RL, Oscar 1L.

## Well Done

Phoebe from 4B took part in an individual gymnastics' competition at the weekend. She won Bronze in vault, Gold in floor, Gold in Bars and Gold in Trampoline.

Fantastic achievements Phoebe! Phoebe said 'I won so many medals, I didn't even get a chance to sit down'. I train twice a

week, 5 hours a week. Some of the seniors have won triple gold in the European championship and train for more than 25 hours a week. Everyone was watching and I felt a bit nervous. I was told by my coach that I did really well and I felt great when I received my medals'.

Well done Phoebe, we are really proud of your hard work.

## Book Jar Competition

How can you fit a book in a jar?

Well now is your chance to try! Think about how a book you have enjoyed could be represented in a simple jar... All you need is a jar, a book you love - and your imagination! Class teachers will be sharing ideas and inspiration for the competition in class, and entries will be judged in the following categories: Early Years; Years 1 and 2; Years 3 and 4; Years 5 and 6. There will also be an additional prize for the overall winner. The deadline for entries is Friday 22nd March. Jars should be clearly labelled with the title of the book, your child's name, and their class.

The jars will be displayed in our library to inspire future reads and to nurture our imagination and creativity!

## Reminders

Online Parent Meeting on Monday.

Face to Face Parent Meeting on Thursday.

Please return any sports kits.

Return any Little Wandle books please.

Today, we had 10 percent of our pupils arrive late due to the rain.

We understand that unexpected circumstances can lead to lateness, and the rainy weather is certainly one of them. Therefore, we kindly request that when it rains, you consider leaving home 10 minutes earlier than usual to account for any potential delays caused by the weather.

We want to ensure that our pupils are able to start the day on time and make the most of their learning opportunities. We appreciate your support in this matter and want to assure you that we are all working together to create the best possible learning experience for your children.

## Year 5 Science

Hampton School came in to school to teach us a science experiment. We had two secondary school science teachers who specialise in chemistry teach us. 'It was so exciting as we had to use a stop watch and time how long it takes to turn the water blue. We used Acid A, and Acid B, we didn't know what was in them. We used a beaker and the less acid B took longer to turn blue, which surprised us'.

'Hampton School came in twice and the first experiment we measured temperature using a thermometer. One of our experiments smelt like Fanta but the next one smelt disgusting'.

## Calling all Artists

The deadline is fast approaching. The Royal Academy of Arts is organising an art competition, and we encourage all artists in school to participate.

The best thing about this competition is that there is no specific theme. Your child can submit a wide range of artworks which may include drawing, painting, printing, photography, sculpture, textile, fashion, animation, video, or even surprise us with their creativity! It's a fantastic chance for them to explore their unique artistic style and experiment with different mediums.

To take part, please ensure that your child's artwork is ready to be collected by Mrs. Lopez on the **13th of March**. Each piece of art should have a title and a description. This will give your child an opportunity to explain the inspiration and thought behind their creation.

Let's encourage them to express themselves and amaze us with their creativity!

## Donation Please

We would like to open up our lunch time colouring club to Y1 through to Y6 as this club is proving very popular. For this to be successful, we are hoping that parents might be able to donate feltips or colouring pencils. We would also like the following.

**Year 6** – We'll meet again Workshop, Cooking Y6 Activities.

## Summer Term Clubs

We are moving towards using less paper and making things easier for parents. Therefore, our Summer Term Clubs will be sent out electronically via a google document.

There we be no more duplicating your details as everything will be completed on line. The school office will be testing this out with staff first and when ready it will be sent out through ParentPay.
