SCHEDULE

STANDINGS

Plate 1	PLD	PTS	GD
1 Nelson Pri...chool	3	11	10
2 Sheen Mou...chool	2	10	9
3 The Vineyard	2	10	6
4 St Elizabet...chool	3	7	-6
5 St Richard ...olds	4	4	-19

Fixtures Plate 1

Well done to Nelson, Oliver, Mia, Sophie, Imaan, Lily E and Lily H. They showed some incredible skills. They worked really well as a team. Their skills grew as we played more matches in the 2nd round of the Plate. In one match we won 10-2, 5-1 and drew in our last game. We couldn't go through to the knockouts as we need to win our last match. We are still top of our Richmond School's league and have our next match against a school called Marshgate in Richmond. If we win this game then we will go through to another tournament. Keep practising as we have the skills to win.

We are super proud of you.

Book Jar Competition

How can you fit a book in a jar?

Well now is your chance to try! Think about how a book you have enjoyed could be represented in a simple jar... All you need is a jar, a book you love - and your imagination! Class teachers will be sharing ideas and inspiration for the competition in class, and entries will be judged in the following categories: Early Years; Years 1 and 2; Years 3 and 4; Years 5 and 6. There will also be an additional prize for the overall winner. The deadline for entries is Friday 22nd March. Jars should be clearly labelled with the title of the book, your child's name, and their class.

The jars will be displayed in our library to inspire future reads and to nurture our imagination and creativity!

International Woman's Day

International Women's Day is a special day celebrated around the world to honour and recognise the achievements and contributions of women in society. It is a time to celebrate the strength, courage, and resilience of women throughout history who have fought for equality and justice. By celebrating International Women's Day, we show our appreciation for the important roles women play in our families, communities, and the world. It is a day to inspire girls and women to dream big, pursue their passions, and make a positive difference in the world. This week we held an assembly and played a football game for all our girls.

Equality & Diversity

We are looking to create an Equality, diversity & inclusion (EDI) parent focus group. Will you help us make sure we are including and representing all our pupils and their families in the life of the school?

We are working on ensuring that our school is welcoming to parents of all backgrounds and heritages. We want parents to feel confident in supporting their children's schooling and in engaging with the school's events and activities. We also want to learn from parents about how we can adapt our resources and teaching to make sure it is representative of their heritages and knowledge of the world.

As a part of this work it is really important for us that we hear the views of parents and gain their feedback and expert advice.

We will be holding a meeting on Wednesday 13th March at 2.30pm. If you are interested in joining the EDI focus group, then please contact the school office to let us know.

Calling all Artists

The deadline is fast approaching. The Royal Academy of Arts is organising an art competition, and we encourage all artists in school to participate.

The best thing about this competition is that there is no theme. Your child can submit a wide range of artworks which may include drawing, painting, printing, photography, sculpture, textile, fashion, animation, video, or even surprise us with their creativity! It's a fantastic chance for them to explore their unique artistic style and experiment with different mediums.

To take part, please ensure that your child's artwork is ready to be collected by Mrs. Lopez on the **13th of March**. Each piece of art should have a title and a description. This will give your child an opportunity to explain the inspiration and thought behind their creation.

Let's encourage them to express themselves and amaze us with their creativity

Science Week

Next week is science week where we will be taking part in all things science. We have the farm arriving, we have eggs that are hatching, we have caterpillars, experiments and workshops too. On **Friday, 15th March**, children can come to school **dressed as a scientist**.

Ramadan

Ramadan starts next week. During this holy month, Muslims around the world fast from dawn until sunset, refocusing their minds and hearts on faith, prayer, and reflection. It is important for us as a school community to be mindful and supportive of our Muslim students and families during this time. Lots of people fast for lots of different reasons and not just during Ramadan. If your child is fasting please remember to return or collect a fasting permission sheet from the school office.

Parent Pay Reminders

During the second part of the spring term the school office will be sending out payment reminders through parent pay, we know that sometimes we forget to make a payment. Please may we ask that you check your parent pay account as all trips should be paid before the end of May where possible.

Reception – Bockets farm

Year 1 – Mini Beasts – Painshill Park, Cooking.

Year 2 – Great Fire of London Workshop, Cooking.

Year 3- Buster Farm, Moses and the Egyptians Workshop, Child in Roman Britain, Cooking.

Donation Please

We would like to open up our lunch time colouring club to Y1 through to Y6 as this club is proving very popular. For this to be successful, we are hoping that parents might be able to donate felt tips or colouring pencils. We would also like the following.

Mud Kitchen

- Sink
- Blackboards
- Picnic tables
- Old microwave

- Pans
- Rolling pins
- Bowls
- Pots
- Colanders
- twigs
- bark
- Funnel
- Whisks
- Brushes
- Cutting boards
- Spice jars

Summer Term Clubs

We are moving towards using less paper and making things easier for parents. Therefore, our Summer Term Clubs will be sent out electronically via a google document.

There we be no more duplicating your details as everything will be completed on line. The school office will be testing this out with staff first and when ready it will be sent out through ParentPay.
