Friday 31 March

Reception Pyjama Day

2M Assembly 9.30am

## Nelson Stars

Our Nelson Stars this week are: Lily E 5R, Sviatoslav 6M, Alfie 6N. Grace W 3A, Bo Xi 3B, Dexter 4B, All Turtles, All Starfish, Ellie Qiyara 1L, Riley 6N and

Alan 2M.

## Well Done

Congratulations to Oscar Isabella and Riley for winning first prize for our 'Dress as a Scientist' competition. Well done also to our runner up winners, Nathan, Sean, Grace, Giulia, Carys and Riley! You won because your costumes were very thoughtful and you displayed great knowledge of science, and the scientist that you dressed up as! We had 2 mad scientists, Exhibition A, A solar system, an astronomer, an explorer, Archimedes and two Mary Curie.

## Headteacher Awards This Week

Abigail 5R All of 3N

Blue 1L Jack 1L

Sammy 1L Carter 1L

Terrance 5S

You received a headteacher award and will be entered into a raffle each term to win a prize from Mrs Ward. Well done!

## Well Done

Some children have been making a display for the Co-op funeral parlour window. Well Done 1L you received a sweet each for your class and made the high street look brighter.

## Science Week

Last week we had an exciting week filled with learning and fun activities, which have helped us to develop our scientific knowledge and understanding.

One of the highlights of the week was the completion of the Crest Awards. The children were set a range of challenges, including conducting experiments and investigating scientific concepts. They were all so enthusiastic and eager to learn, and it was wonderful to see them develop their scientific skills and knowledge throughout the week.

Another highlight was the 'Dress Up as a Scientist' day, where the children came to school dressed as their favourite scientist. We had a fantastic array of costumes, including Marie Curie, Albert Einstein, and Archimedes, to name just a few. It was wonderful to see the children so engaged with science and to see their creativity in their costumes.

Throughout the week, we also had a range of workshops and activities, including exploring sound, investigating the properties of materials, and looking at different animals in Forest School. Children also had assemblies where they have learnt about different jobs in science, such as paramedics, pharmaceuticals, musicians, high school teachers, gardeners and mathematicians. Thank you to all the parents that have contributed to resources!

We hope that Science Week has inspired them to continue to explore and learn about the world around them. We would like to thank all the teachers and staff who worked so hard to make Science Week such a success. We can't wait to see what next year's Science Week has in store for us!

Mrs Lopez

## Well Done

Well Done Maison 2M, You received a trophy for most improved player. Your hard work, resilience and teamworking has paid off and we are all very proud. Well done and keep up the hard work!

## Summer Term

We look forward to a busy Summer Term ahead full of activities and trips. Our diary dates will be coming out shortly with information for Sports Days and Parent Rep Meetings. The office staff will also start sending out messages to remind parents to pay for their trips. We do understand the financial difficulties some families face and have tried to make our trips and workshops repayments to be as long a period as possible.

**Whole School Attendance is 93 %**

## Attendance Matters

**Every Day Counts....**

## Well Done

A selection of Choir Club children performed at the Rose Theatre in Kingston. The Choir have been learning these songs throughout the year and were able to sing together with other local school and a live band and audience. Grace DWS said, 'I enjoyed singing with all the other schools and watching the other school singing their own song'. Choir Club will also get to perform to parents and the community so that everyone can get the chance to perform to an audience.

## Thank You PTA

Thank you PTA for making our quiz night great fun! It was really nice to all come together to battle out our knowledge with a lot of laughter along the way.
