Our parent reps do a fantastic job of supporting the school and representing the parent voice. We recognise that whilst all communications come **first** from school, parent reps choose how they wish to communicate reminders and further updates. This is most commonly through WhatsApp. We are also aware that not all parents are able to use WhatsApp and therefore may be missing further updates and communications and the chance to share their views.

Continued overleaf.

Parent Reps Continued

To ensure all parents receive any parent rep updates, key communications from the parent reps should be sent out via an email **first** from school. The parent reps may also choose to use their chosen communication format.

With regards to future parent rep meetings, if you have questions you would like discussed at the meeting and haven't had the chance to communicate them with the parent rep, you can send them in via platform@nelsonschool.org. These will then be shared with the parent reps ready for discussion at the meetings.

If you would like anything shared with the parent reps, or would like them to communicate something with the class/year group, this can also be emailed in on the address above to be passed on.

Wear Something Yellow

In continuing to support our children's mental wellbeing, we will be taking part in the **YoungMinds Hello Yellow Day on 10th October - World Mental Health Day**. We will be joining other schools to show our support by asking children to **wear something yellow**. In doing so we are showing children that their mental health matters and that they deserve to be heard and receive the support they need when they need it. During the week they will take part in activities and a lesson focusing on the importance of their mental health. Should you wish to make a financial donation to YoungMinds for the support they offer to young people and families in helping to create brighter futures for all children, you can do so on our just giving page. Please do not send any donations into school as we are a cashless school.

Flu Vaccination

On Monday, 20 November our school nurses will be visiting school to give children the annual flu vaccine

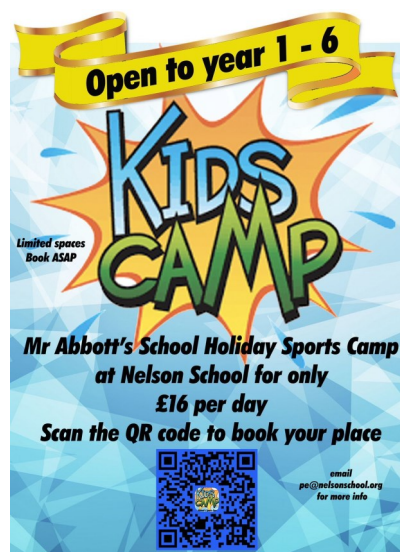

Please complete the consent form even if you decide you do not want to vaccinate your child against flu this year. Completion of the consent form is not mandatory if you do not want your child to be vaccinated. However, as providers of the school age vaccinations, NHSE requires that we provide numbers of parents that do not consent to their child being vaccinated.

Therefore, we will only use this information to provide numbers of parents declining consent, no other details will be shared. If consent forms are not completed, you may be contacted by phone or text. If you have returned a no consent, we will not make any further contact this year. Please see our privacy notice if you require further details Privacy: Hounslow & Richmond Community Healthcare (hrch.nhs.uk)
