## Warm Weather Warning

As the weather is getting warmer, please ensure that your child comes into school everyday with a water bottle, sun cream and a hat to be worn at breaktimes. We also still have a number of bugs passing around the school. Parents are reminded that if your child picks up a tummy bug and suffers from vomiting, has diarrhoea or both, they **MUST** stay off school for 48 hours from their last episode of vomiting or diarrhoea. This is to prevent these bugs spreading to other children and adults in the school.

Please see this handy NHS website which can help decide whether your child can be in school.

If you have any questions regarding your child's condition, please contact either Mrs de Wet Steyn or Mrs Shah

## Arts Week

We have produced some fantastic artwork inspired by Henry Rousseau's painting - Surprised. This is part of the National Gallery's 'Take One Picture' Competition. We will be submitting all the art work to the National Gallery later this year.

Well done everyone and good luck !

## Payment Reminders

The office will be sending out emails to chase all remaining payments to trips, workshops residential trips and Breakfast Club. Please kindly check your ParentPay account and try to ensure everything is. If parents forget to pay then the deficit comes out of school's budget.

## Bike Shed

Please can you talk to your children about storing their bikes safely in the bike sheds. Sometimes the bikes are dumped one on top of the other and this becomes very difficult for children to get their bikes at the end of the day. Your cooperation is much appreciated.
