LITTLE WANDLE WORKSHOP

We are pleased to invite you to our Little Wandle Letters and Sounds Parent Workshop, scheduled for the 16th October at 2.30pm in the studio for Reception - Year 2 parents.

This informative session will provide valuable insights into our phonics programme, which is designed to enhance your child's reading skills.

During the workshop, we will discuss effective strategies for supporting your child at home, along with an overview of our classroom practices that focus on fluency, comprehension, and decoding skills. Your involvement is crucial in reinforcing these important concepts, and we believe that by working together, we can significantly enhance your child's reading journey.

We encourage all parents in Reception to Year 2 to attend as this is a wonderful opportunity to ask questions and engage with our teaching methods.

Please note that if you are unable to attend, there will be an online workshop on Tuesday 22nd Oct, 4.00-4.30pm.

Please see this link to confirm your attendance for either an online workshop or a meeting in school.

PTA MEETING

The next PTA meeting will be held on Monday 7th October at 8pm at the Admiral Nelson pub. Please join us to discuss forthcoming fundraising activities to support our school.

Please let us know if you are attending by replying to nelsonprimaryschoolpta@gmail.com.

BRITE BOX WITH Y4

Last week Year 4 started their 'Brite Box' initiative designed to equip them with the essential cooking skills. Each term, 10 children will be taking home a box filled with ingredients costing less than £5 and instructions to cook a simple meal. They were very excited to get cooking when they received their boxes. The 10 children all said they enjoyed making the meal.

Jack B said, "I enjoyed making the food, but grating the carrot was hard!" Emily said, "I enjoyed eating the food!" Ayla said, "I found chopping the onions hard because they made me cry!"

LETTER JOIN PUPIL LOGIN

At Nelson, we believe that handwriting is a basic skill that influences the quality of work throughout the curriculum. By the end of Key Stage 2, we want all pupils to have the ability to produce fluent, legible and, eventually, speedy joined-up handwriting, and to understand the different forms of handwriting used for different purposes.

Our intention is to make handwriting an automatic process that does not interfere with creative and mental thinking.

We are pleased to announce, therefore, that we have adopted the Letter-join handwriting scheme throughout the school, and all of our pupils can now log in to the Letter-join website at home on iPads, tablets and computers. There you will find the same, easy-to-use handwriting resources that we use at school.
