## Sports

This week, we have taken part in a Netball Tournament, where the Netball team qualified for the quarter finals. An NFL tournament, which was an all day event at London Tigers, Southall; again we got through to the quarter finals. We are really proud of all our teams. Our Netball Team were one of the top 8 in the borough! Well done! Last week the tag rugby team took on many local schools at a tournament hosted by Chase Bridge where they played extremely well.

## Food to Market Project

We have been learning about foods and the journey from the farm to our forks. This week we travelled by train to Whole Foods in Richmond. 'We looked at chutney jars and saw the different ingredients. Compared nutrients and allergens. We checked to see where they were made and how good they were for the environment. We looked at British produce because of their low carbon footprint.' By Thomas 4B and Polly 4B.

## Gardening Club

Eliza 3B and Sophie 3N said. 'We have been planting potatoes, pumpkins and cucumber in hay. We only need a very little soil just for packing it in tight. It will take about a week to grow. Carrie, the gardening lady is really smart and know so much about gardening. She has shown us how to pick up the acorns that have been buried by the squirrels. We have watered the sensory garden which has grown really well. I really like taking care of the plants and my grandad has strawberries.

And I really like gardening club because my grandma has peas and apples'

## Crown Competition

The winners of the Crown Competition will be announced in Monday's assembly. There will be 5 winners instead of 3 as the calibre has been so high and the mystery judges have had a difficult time in choosing just 3.

## Sports Day Details

We are delighted to be able to invite you to join us for our Nelson Sports Day. The days and times for each year group are below. If you would like to attend, please arrive at the school office just before your child's start time. ## Reminders

Although the weather is getting warmer, we still have a number of bugs passing around the school. Parents are reminded that if your child picks up a tummy bug and suffers from vomiting, has diarrhoea or both, they MUST stay off school for 48 hours from their last episode of vomiting or diarrhoea. This is to prevent these bugs spreading to other children and adults in the school.

Please see this handy NHS website which can help decide whether your child can be in school.

If you have any questions regarding your child's condition, please contact either Mrs de Wet Steyn or Mrs Shah
