## More of Science Week

## Well Done

This term Olive in 2M learnt to knit and decided she wanted to run a club for her friends to teach them how to knit too. She made a poster, made a register and decided on a couple of different friends for each time she did her club. Well done, Olive! It is fantastic to see your willingness to share your knowledge of knitting! We might soon see you running a club at Nelson! Fantastic to see Y2 so focused trying to learn a new skill!
